ABOUT ICISE

Founded in 1993 by Jean Tran Thanh Van, the association Rencontres du Vietnam, a non-profit organization and an **official partner of UNESCO**, has its objective of the **promotion of international exchanges** between Vietnam and the international communities, particularly in the areas of science and education.

The creation of the International Centre for Interdisciplinary Science Education (ICISE) in the city of Quy Nhon (Central Vietnam) has the ambitious objective to **focus on developing Science and Education** by fostering exchanges between Asia-Pacific scientists and colleagues from other parts of the world.

ICLISSP2025 SNAPSHOT

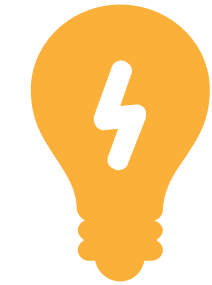

International Conference on Library, Information Science and Scholarly Publishing in Vietnam (ICLISSP2025) is the first scientific event organized at the International Center for Interdisciplinary Science and Education (ICISE).

The content of the ICLISSP2025 conference will focus mainly on various aspects related to information technology and digital libraries, open science, electronic publishing, and user services in the digital era.

Our Goals

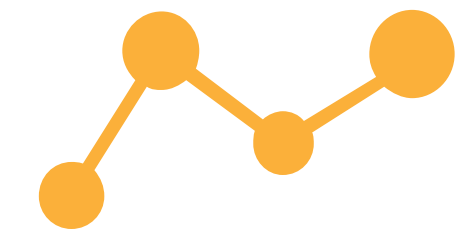

Showcase research findings in LISSP

Enhance standards & policies in the sectors

Develop scholarly interdisciplinary networking

Approach professional updates & development trends
