

The Second Vietnam International Symposium on Medicinal Plants and Natural Products (MPNP2026)

**March
26–28, 2026**

08:30 AM – 06:00 PM
(GMT+7)

International Centre for Interdisciplinary
Science and Education, Quy Nhon Nam,
Gia Lai, Vietnam

Theme

Bridging Tradition and Innovation:
Advancing Science and Sustainability in
Medicinal Plants and Natural Products

Scope of Topics

- Ethnobotany and conservation of medicinal plant resources
- Genomics, metabolomics, and bioengineering of bioactive compounds
- Plant–microbe and plant–environment interactions
- Natural product chemistry: isolation, structure elucidation, and synthesis
- Bioactivity, pharmacology, and toxicology of natural compounds
- Advances in extraction, processing, and quality control
- Functional foods, nutraceuticals, and herbal medicines
- Sustainable production and value chain development
- Marine and microbial natural products
- Innovation and collaboration in medicinal plant research

Important Dates

Call For
Abstract

**Oct 15,
2025**

Abstract
Submission
Deadline

**Dec 31,
2025**

Notification of
Acceptance

**Jan 15,
2026**

Early Bird
Registration
Deadline

**Jan 30,
2026**

Conference
Dates

**March 26–28,
2026**

Conference Fee

Regular participants
\$200 (5,240,000 VND)

Onsite
\$250 (6,550,000 VND)

Student/Retired participants
\$100 (2,620,000 VND)

\$150 (3,930,000 VND)

Accompanying person
\$50 (1,310,000 VND)

\$50 (1,310,000 VND)
